Chapter 1

This is one chapter

This[1] and that. This is[23]. What about a rainy day?[2]. I don't know. And here is how we make an endnote[1] and [2]

---

[1]this is a footnote

[23]Another footnote with a forced number

[2]I made the footnote text later!

Chapter 2

This is another chapter

More text goes here[1]

Big heading

This text goes before every endnotes list (you can have more than one)

Chapter 2notes!

1. Testing

2. here

Chapter 2notes!

1. Endnote from another chapter

Chapter 3

Another chapter for demo

Here's an endnote after we print it once[1]

Big heading

This text goes before every endnotes list (you can have more than one)

Chapter 3notes!

1. Testing
2. here

Chapter 3notes!

1. Endnote from another chapter

Chapter 3notes!

1. Again!
